

THE NOBLE CIRCLE APPROACH: HEALING THE WHOLE BEING

To enhance recovery from a cancer diagnosis, The Noble Circle Project offers women the opportunity to explore cutting-edge quality programming via a New Sister Weekend Retreat and 10-week follow-up program.

THE HEALING JOURNEY BEGINS!

Our in-depth weekend retreat focuses on:

- Complementary energy techniques
- Nutritional education and hands-on cooking instructions
- Peer support to help cope with difficult emotional and spiritual issues

The 10-week follow-up program allows each new sister to track her progress and practice new lifestyle skills with the support of other Noble Circle sisters.

THE THRIVING GOES ON

Project Sisterhood members continue to gather each month to support each other in sustaining healthy lifestyles.

FEBRUARY 26, 2022
SINCLAIR CONFERENCE CENTER

HELLO, DARLINGS!

We've come a long way. Way beyond cancer. Nineteen years ago we were eight Dayton women with cancer. Today we're over 300 strong and passionate about raising funds to help women who have received a cancer diagnosis.

Help these local women thrive by sponsoring The Noble Circle Project's 18th Annual *AWear Affair* Fashion Show Luncheon. In 2019, nearly 700 people attended this sold-out event. Join our list of sponsors who help women break through the typical notions of living with cancer.

READY, SET, SPARKLE!

Come to *AWear Affair* for a day of camaraderie, fun, and...fashion! The event includes:

- Boutique shopping — jewelry, apparel, personal care, décor
- Raffle — high-end gift baskets
- Fashion show — today's trends modeled by Noble Circle sisters
- Lunch and cocktails — delightful, delicious and très chic

Noble Circle sisters are there for each other because we're stronger together. We've all been diagnosed with cancer, but through solidarity, we are empowered and learning to thrive.
